Tell the story
Of the waterfall of Mo`oula

This is a song, written by Ionomusic about a flight to O`ahu from Maui. While flying over Halawa Valley, adorned with majestic clouds, the waterfall called out to Ionomusic to remind him of his home.

Returning home to Moloka`i, Ionomusic goes to visit Mo`oula. The waterfall reveals the old man within the falls, who shares his mana`o. Ionomusic captures this inspirational, divine moment in this mele. Thus, Ka Wailele a`o Moa`oula.
