

E OLA E MOLOKAI

lonomusic

Ina paha `oe a e ike ana

Ika huli`anapa aka o kukui

E Ola E, E Ola E Moloka`i

If you could only see the beauty
The kukui leaf that glitters as it turns
May the healing be granted

Ko omaka pule ua ka ua

O `oe ika nahele o Lanikaula

E Ola E, E Ola E Moloka`i

By the utterance of prayers, rain falls
You are in the forest of Lanikaula
May the healing be granted

Pehea la ia e lewa hou ai

Me he manu e kani nei

E Ola E, E Ola E Moloka`i

E Ola E, E Ola E Moloka`i

E Ola E, E Ola E Moloka`i

How can I travel on
The bird is singing
May the healing be granted

Let the healing be granted. This song speaks of the healing power of Moloka`i. From the prophet Lanikaula to the songs of the birds.
